

Joint statement

Dear members,

This past week representatives from all Cabin Unions in Norwegian held a joint meeting. The meeting was set up after initiative by the unions. This is an important step, and kick starts a collaboration between our cross-regional unions within the company. The aim is to have regular meetings, both online and physical, where we can address common interests and support each other.

The next meeting is planned to take place at the beginning of May.

In solidarity,

USO Sección Sindical Estatal, Transport Cabin Club Arlanda, Finnish Aviation Professionals, Latvijas Aviācijas Arodbiedrība, Norwegian Kabinforening, Norwegian Cabin Union Denmark
